Ritz Theater Company Covid-19 Protocols

All Ritz Theater Company in person classes will adhere strictly to these procedures in compliance with CDC guidelines in an effort to prevent the spread of COVID-19:

Before You Arrive:

- Please wear a mask
- Please read and check the box to show agreement to the waiver when you register.
- Please arrive dressed and ready to participate, no changing clothes onsite
- Do not come to class if you, a family member, or anyone you have been in contact with is sick, has a cough, or a fever

Arrival and Check in:

- A signed COVID-19 waiver is required for participation. No students will be admitted without acknowledgment of a signed waiver. For your convenience, the waiver is accessible directly from the registration page. Please read and check the box indicating your agreement to the waiver.
- Masks are to be worn at all times
- Students under 18 years of age must bring a parent or guardian to sign them in.
  Grown-ups - please remain with your student in the parking lot waiting zone until the student is cleared to enter the theater.
- Please park in the lot designated for your class. Health screenings will take place in the parking lot with you seated inside your vehicle.
- You will be asked a series of health related questions and students will have their temperatures checked with an infrared thermometer. If a temperature reads over 100.4 degrees (F) or higher, there will be no admittance to the theater.
- Students will then be assigned a number which corresponds with their socially distanced participation space inside the theater. Maintaining social distance, students will then line up and an adult will walk them into the theater through the entrance designated specifically for their class. Each class will have a separate entrance.
- Bathrooms will be available for use as needed
- Hand washing with soap for a minimum of 20 seconds is required for staff and students after covering a cough or sneeze, using the restroom, or after any close contact/exposure to others.

Classroom Procedures

- Parents will not be allowed to enter the building
- Please leave all belongings in the car. Please only bring your water bottle into the theater.
- No outside food will be allowed
- Hand sanitizer will be available for staff and students, and is recommended for use before and after each class.
- Students and instructors are to wear a mask in the studio although the CDC does recommend wearing masks when unable to keep social distance Exit
- Parents/guardians please pick up your students immediately after class. Please arrive to pick up your student 10 minutes before the end of class. All class times are staggered to minimize contact between different groups of people and to allow staff time to sanitize theater spaces.

Cleaning procedures:

- Restrooms will be sanitized immediately prior to class
- Class space floors will be sanitized immediately prior to class
- High touch areas will be sanitized regularly and between classes
- Air conditioning will maintain air circulation
- Hand sanitizer, soap and water in restrooms along with seat covers and paper towels will be available.

We are looking forward to seeing you!
The Staff of the Ritz Theater Company
